

Calling all RiverPark Veterans~Set Your Legacy in Stone!

Inscribe a brick paver for the brand new 50 ft. flag pole that is located near the lake at the Recreation Center on Summit Creek. LID#10, as part of the boardwalk construction around the lake, graciously installed a beautiful flag pole where we will fly the U.S. Flag. The flag pole is being dedicated to the men and women of RiverPark who serve(d) our Country in one of the five branches of the U.S. Military.

Please join us on **July 4th at 10:00 a.m. for a dedication ceremony will take place at the flag pole** near 5875 Summit Creek. Light refreshments will be served. An honor guard will perform the flag ceremony as we raise the USA flag for the first time.

If you would like to purchase an engraved brick in honor of a U.S. Military Veteran to be placed around the flag pole, you may do so by completing the following form. The engraved bricks will be installed on the walking surface around the flag pole. Your paver will leave a personalized, lasting impression for years to come and contribute to creating a permanent legacy of military service for those who live in RiverPark.

Please complete the following application and mail along with check/money order (made payable to RiverPark) to:
